AFFILIATES' Program

Payment engine that helps you capitalize on your affiliates' strategy rapidly.

Matryoshka **TRAVEL**

Where are you going next?

Access cruise lines, activities and hotels and get the best prices and discounts on our platform.

BEAT MARKETS

Academy

It consists on lectures for our users that are divided into three levels:

Beginner, Intermediate, and Expert. We will teach you how to read markets and to make the best and smartest investments for your money.

Our Academy is designed to teach you how to understand the market so you will always access it with the right knowledge. If you look for a company that helps you analyze it and grows your sense of confidence, this is the right place.

Beat Markets Academy is not like any other academy, we are a community of traders that seek to get consistent results.

MARKET

Indicators

You will become a member of a select group of indicators, divided into rates, commodities, and shares.

We will add you to our exclusive Telegram group for support in your trading experience, with an assertiveness rate of over 70% per month. This tool will become essential in your trading life.

Summaries

iKAPITOL is a professional master introducing broker.

01.

MASTER INTRODUCING
BROKER

iKAPITOL holds a MAM account in the Triskel Trading broker.

04.

HOLDS A MAM ACCOUNT

iKAPITOL does not raise funds from its references.

02.

DOES NOT RAISE FUNDS

iKAPITOL gets commissions from the affiliates' program of Triskel Trading.

05.

COMMISSIONER

iKAPITOL is a licensee of Beat Market's expert advisers.

03.

WITH AUTHORIZED LICENSE

Responsibilities

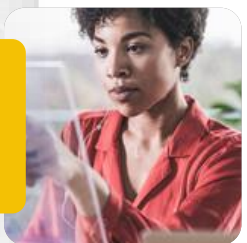

Every IB, individual or corporation alike, is responsible to pay their taxes in their country of origin.

06.

IS NOT RESPONSIBLE FOR THE IBS' TAX PAYMENT

Risks Warning:

Trading with Forex and CFDs represents a significant risk for the invested capital because they are complex instruments that entail a high risk of losing your money quickly due to leverage. Approximately 80% of the accounts from minority investors lose money when they operate CFDs. This has to be considered before investing your money, if you understand how CFDs work and if you take on the high risk of losing your money.

07.

RISK CONSIDERATION

PAYMENT Methods

TIME OF PAYMENT

All of the profits generated through the **Partner Bonus**, **Team Bonus**, **Renew Bonus**, **Evolution Bonus**, and **Leadership Bonus** before 00:00 GMT+1 (17:00 GMT-6 Mexico City) will be paid on that same day from 03:00 GMT+1 (20:00 GMT-6 Mexico City).

WITHDRAWAL

There will be no need to request the withdrawal as it will happen automatically. Anything generated after this time will be considered for the following day.

BEAT MARKETS PROFITS

Profits generated by the **Beat Markets** bonus will be included to the platform from Monday through Friday and deposited on the first day of each month, if the person deactivated the compound interest option.

PAYMENT RECEPTION METHOD

All payments will be made to a **Bitcoin (BTC)** or **Tether (TRC20)** and **Triskel Stable Token (TST)** wallet provided by the user when the account is verified with their biometrics.

WWW.IKAPITOL.COM
